Long Beach, CA 90804

*Love is in the Air* is a live performance by The ART Center Orchestra, featuring the Firebird Suite by Igor Stravinsky and a screening of HOT AIR LOVE, an American silent film.

Both the orchestra and the film feature the work of adults with intellectual & developmental disabilities, attending creative arts programs of Arts & Services for Disabled in Long Beach.

The community is welcomed to enjoy these beautiful interpretations of classic film and musical genres set in Long Beach's historic art deco theatre, recently renovated with current state of the art comfort and technology.

The primary mission of Arts & Services for Disabled is to provide life-long learning, community service and career opportunities through the creative arts for people with disabilities in an environment of warmth, encouragement and respect.

*Love is in the Air* is a fundraising effort to support productions and performances such as The Firebird and HOT AIR LOVE.
